ENERGY EFFICIENCY REBATE PROGRAM APPLICATION

Ownership of Environmental and Renewable Benefits. The installation or modifications implemented as a result of this Energy Efficiency Rebate Program may create attributes or benefits of an environmental or other nature including, but not limited to, tags, certificates or similar products or rights to claim "green" or "renewable" energy, environmental air quality credits, green house gas credits or off-sets, or other benefits related to the more efficient use of energy by the Applicant pursuant to any existing or future federal, state or local legislation or regulation (the "Environmental and Renewable Benefits"). To the full extent allowed by such law or regulation, Western Farmers Electric Cooperative (WFEC) shall own and/or be entitled to claim all Environmental and Renewable Benefits and Applicant hereby assigns and transfers to WFEC all rights, title and authority for WFEC to register, own, hold, manage or dispose of such Environmental and Renewable Benefits.

I agree to participate in PEC's load management program. I understand that a load management switch may be installed on my heat pump unit(s) as a part of this program. I certify all equipment listed is installed at the above account number and agree to allow a representative of the Cooperative to verify the heat pump installation at the above address at a reasonable time for both parties (Monday - Friday, 8:00 a.m. - 6:00 pm). Any taxes that may be associated with this energy conservation subsidy will be my responsibility. I certify that the heat pump listed below is a qualifying ENERGY STAR heat pump that will be installed at the address listed above. PEC and WFEC reserve the right to use information in the ongoing evolution of our Energy Conservation and Carbon Reduction programs.
