- **Less Hassles:** No more paper bills, checks or stamps when you pay your bill online. 0012206601
- **Safe & Secure:** All transactions are processed immediately on our secure servers.
- **Flexible:** Pay your monthly bill from your checking account or credit card (Mastercard or VISA).
- **Accessible:** View past bills and payment activity.
- **Always FREE** -- We do not charge for this service.
- **Be the first to know:** Receive and read this newsletter online while others wait for it in the mail.
- **Feel Good:** Paperless Billing benefits the environment by reducing paper consumption and cutting down on waste.

Concerned about identity theft? One of the ways to steal your identity is for someone to break into your mail box or go through your trash and steal your mail. By going paperless, you eliminate the paper bills and you gain more control of your sensitive documents.
